An aerial photograph of a rice processing facility. In the upper right, there are several large, cylindrical metal silos. Below them is a building with a blue corrugated metal roof. A wide, paved road runs horizontally across the lower half of the image. A small vehicle is visible on the road. The background shows some trees and other buildings.

RICE PRODUCTION

STORAGE FACILITY

2 WAREHOUSES

STORAGE CAPACITY

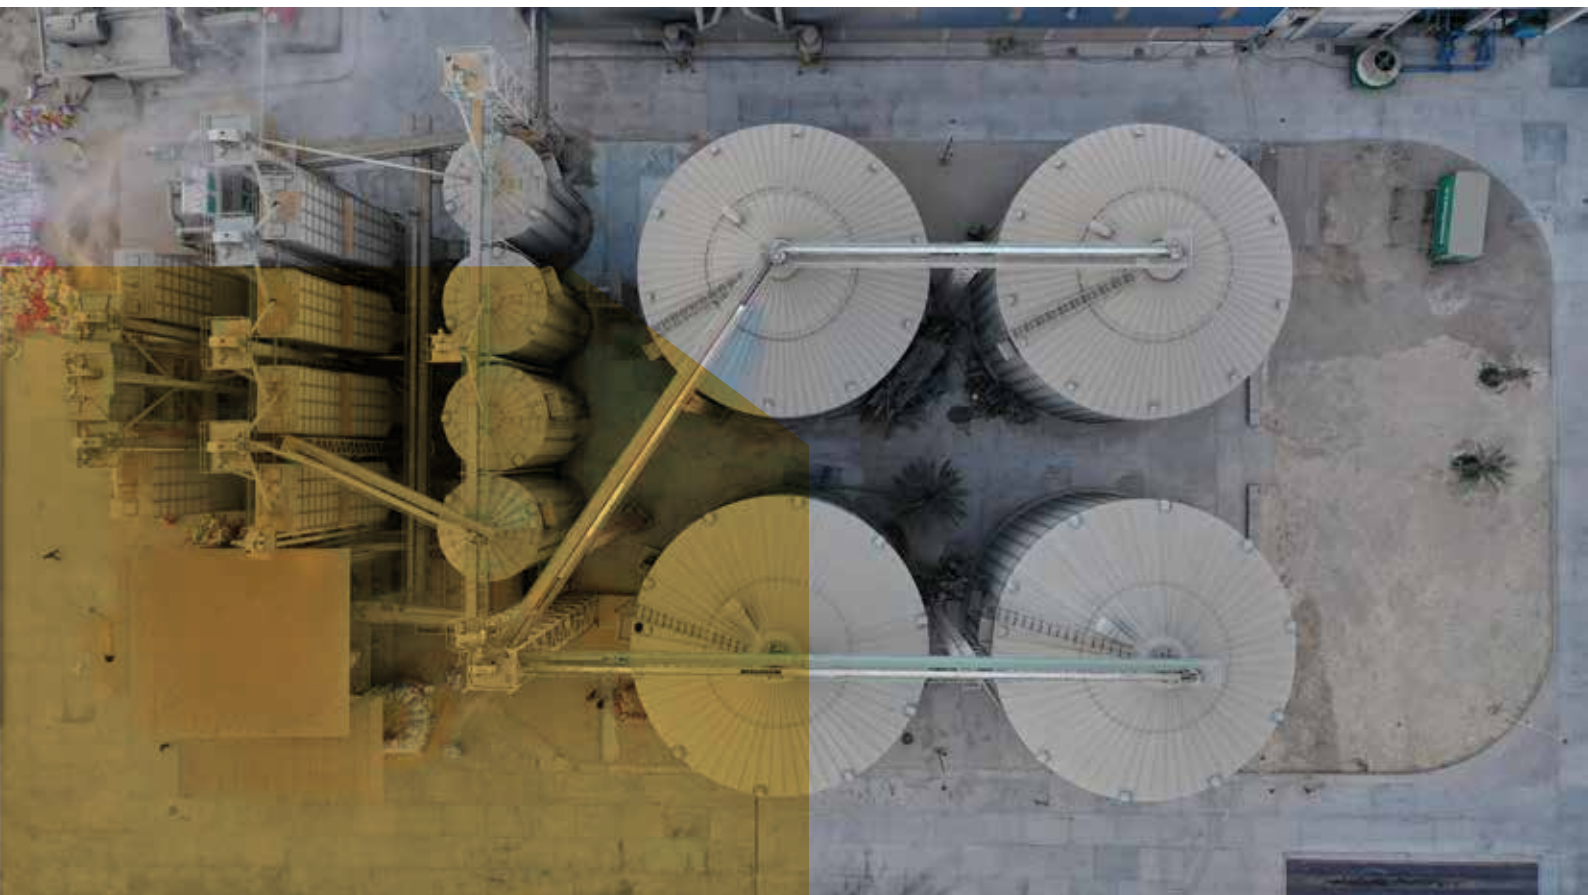

150,000 MTs

(Raw material & finished goods)

18 SILOS

Capable of storing

55,000 MTs of grains.

INFRASTRUCTURE

State of the art machinery

We employ cutting-edge rice processing technology, including Buhler S6 and A5 color sorters and Carter Day length graders.

COMPETITIVE EDGE

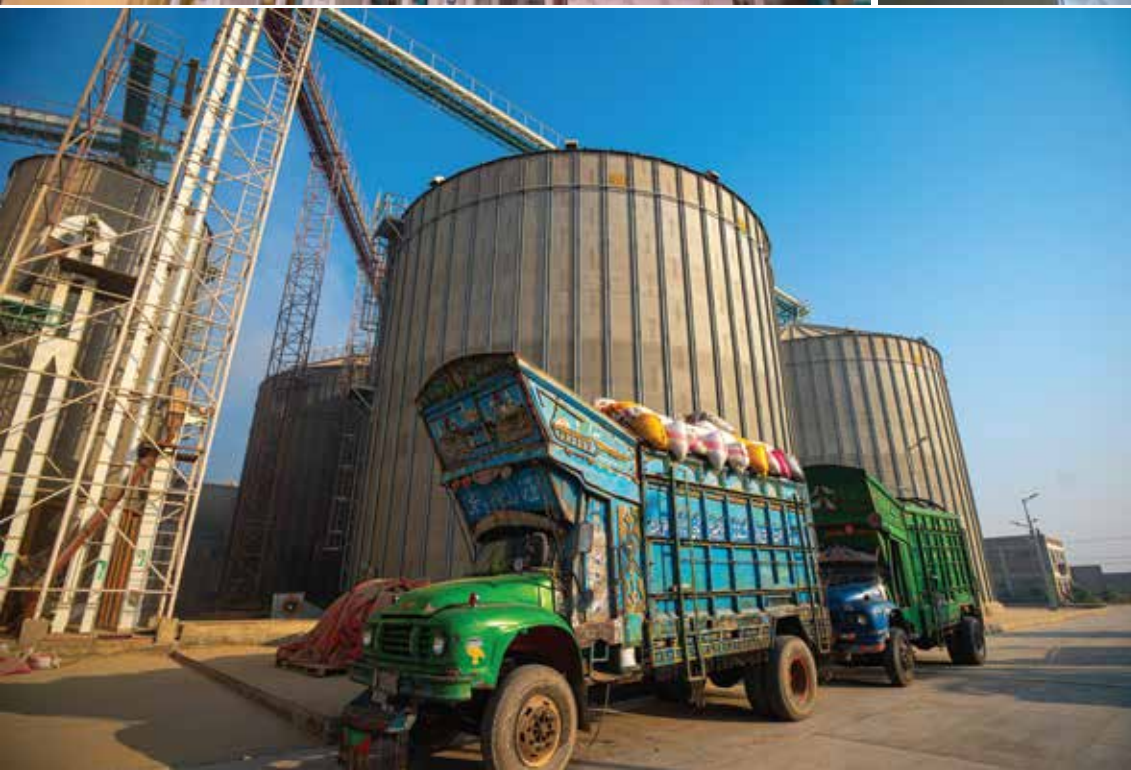

We are the only rice exporting company in Pakistan with vertically integrated system. With control over each step of supply chain, we ensure to deliver the best quality of grains to our customers.

FARMING

We have 275 acres of land for seed production and research in Sindh.
